

# Attention!

- This will be the second page that is seen when the brochure is folded.
- Design your brochure so that it can be read in the correct order after it is folded.
- Use the page numbers at the bottom of these pages to help with your layout.
- Open to the center section to see more details on how to set up your pamphlet.
- Brochures can be printed back-to-back and in color! See Ms. Kramer in the computer lab for more information.
